"We are very grateful for the generous gift toward hearing aids for my husband. We now have conversations! He had been without hearing for the past four years. Be assured, they were needed, and have made a difference in his life."

Dear Hope Foundation,
Thank you for your generous donation to the Warren School District Special Education Department. We are so grateful to have been selected to receive this grant! This is my first year teaching at Warren and my educational teaching supplies in my special education classroom were essential. I have included a photo of my students, myself, and some educational materials we were able to purchase. Thank you for allowing our communities the opportunity to apply for this grant. Your hard work doesn't go unnoticed! Sincerely, *Michelle*
